

# FAMILYSEPARATION & REUNION

*SEPT.3/08*

## REINTEGRATIONBRIEFING

In order to provide standardized reintegration briefings, the Deployment Support Groups across Canada are working in conjunction with other organizations such as the MFRC to administer relevant information on the soldier's return home.

This briefing will deal specifically with Task Force Afghanistan (TFA).

The aim of this briefing is to help families manage the changes reintegration/reunion can bring after deployment.

The discussion includes common concerns, what happens during decompression, tips & suggestions to make the reunion process a smooth transition.

The briefing will be held at the Cliff Wright meeting room (Lakewood Civic Centre, 1635 McKercher Dr.) on September 3/08 at 7:00 pm
